RECOMMENDED ACTION			
Review and Discuss the Conceptual Plan for the conversion of the Community Center to Senior Adult Facility.			
EXECUTIVE SUMMARY			
RHA Architects has completed the preliminary design for the conversation of the existing Community Center to accommodate the Senior Center relocation. The plan allows for increased space and activities for the ever expanding Senior's program. The design maintains the flexibility to continue to rent space out for community functions. Staff will present the concept plan to the Advisory Board for feedback.
